

Kids Poster Competition

Design a landscape A4 poster that shows why clean air is important to you or what you can do to keep our air cleaner.

Competition is open to primary school age children.

Judges are looking for:

- creativity
- neatness
- originality.

The best posters may be used for future promotion of air quality management.

All posters will go on display at the Air Quality Forum on the 15 March 2012 at the WA Conservation Science Centre,

Air Quality Forum

The theme is 'Quality'

Topics you might cover include.

- Haze
- Pollution
- What is in our air?
- Air facts

You can win a science investigation kit or outdoor play pack.

Did you know that a person breathes about 20,000 times a day?

Air is very important to how we live our life - think of all the things you couldn't do if we had poor air quality?

Teachers and Parents: Everyone is welcome to attend the forum.

It is a free event however places are limited and registration is essential. If you are interested in learning more about what is currently happening to manage air quality please consider coming along.

Posters due 22 February 2012. Registration closes on 1 March 2012.

Please contact the AQCC for more information, a registration form or to submit posters:

AQCC Admin, Locked Bag 104 Bentley Delivery Centre Kensington 6983 or email to AQCCAdmin@dec.wa.gov.au.

Call (08) 9333 7435 for more information.
